

## MEMORANDUM

To: Parties in PSB Docket No. 7440

From: Judith C. Whitney, Deputy Clerk of the Board

Re: Filing of Surrebuttal Testimony

Date: April 24, 2009

---

In an Order issued yesterday, the Public Service Board allowed the New England Coalition ("NEC") an extension to Monday, April 27, 2009, to file its surrebuttal testimony. Subsequent e-mail correspondence from some of the parties has raised the issue of whether the extension should apply to all parties or, in the alternative, whether NEC should forebear from reviewing the other parties' surrebuttal testimony until after NEC files its own testimony.

NEC has represented that if the filing deadline is not extended for the other parties, NEC would not review the other parties' filings prior to submitting its own surrebuttal testimony. Based on the e-mail correspondence, this resolution appears to be acceptable to the other parties.

The Board has asked me to inform you that the extension that the Board granted to NEC in yesterday's Order applies only to NEC, and that NEC must abide by its representation that it will not review the surrebuttal testimony of the Department of Public Service ("Department") and other intervenors until after NEC submits its own surrebuttal testimony. The Department and other intervenors may delay transmitting a copy of their surrebuttal testimony to NEC until April 27, 2009.
